To you, Mrs. Eslick, this dedication is but a token of the heartfelt thanks, especially from the Seniors, who have profited so much through your guidance and to whom you have generously devoted so much of your time and energy. You have inspired all of us to look for greater achievements in life. Your pleasant manner and gracious personality has won you the love and admiration of the student body. The enthusiastic interest you have showed in your Future Homemakers will always be remembered.

D E D I C A T I O N

TO MR. AND MRS. ESLICK, THE SENIORS OF
1955-56 PROUDLY DEDICATE THIS ANNUAL.

To you, Mr. Eslick, we wish that there was something greater than this dedication that we could do to express our humblest appreciation for your guidance and assistance which you gave so generously and willingly. Your energetic enthusiasm was an incentive to all who knew you. Those who shared your warmth and wit will never forget you. As a football coach, your calmness and understanding has won you the co-operation of a strong team, rather than individual stars. We shall always remember the sincere interest you took in our many activities.

St. Ignatius High School is part of a large school district. In the district are three high schools, one in Ronan, Charlo, and St. Ignatius. The school board represents the whole district. Members are elected from each locality.

ADMINISTRATION

SUPERINTENDENT'S MESSAGE

SENIOR OF 1956:

I wish to extend my sincere congratulations to you, an accomplished graduate of Mission High School. You have attained the goal of high school graduation. However, your high school diploma is far from an end in itself.

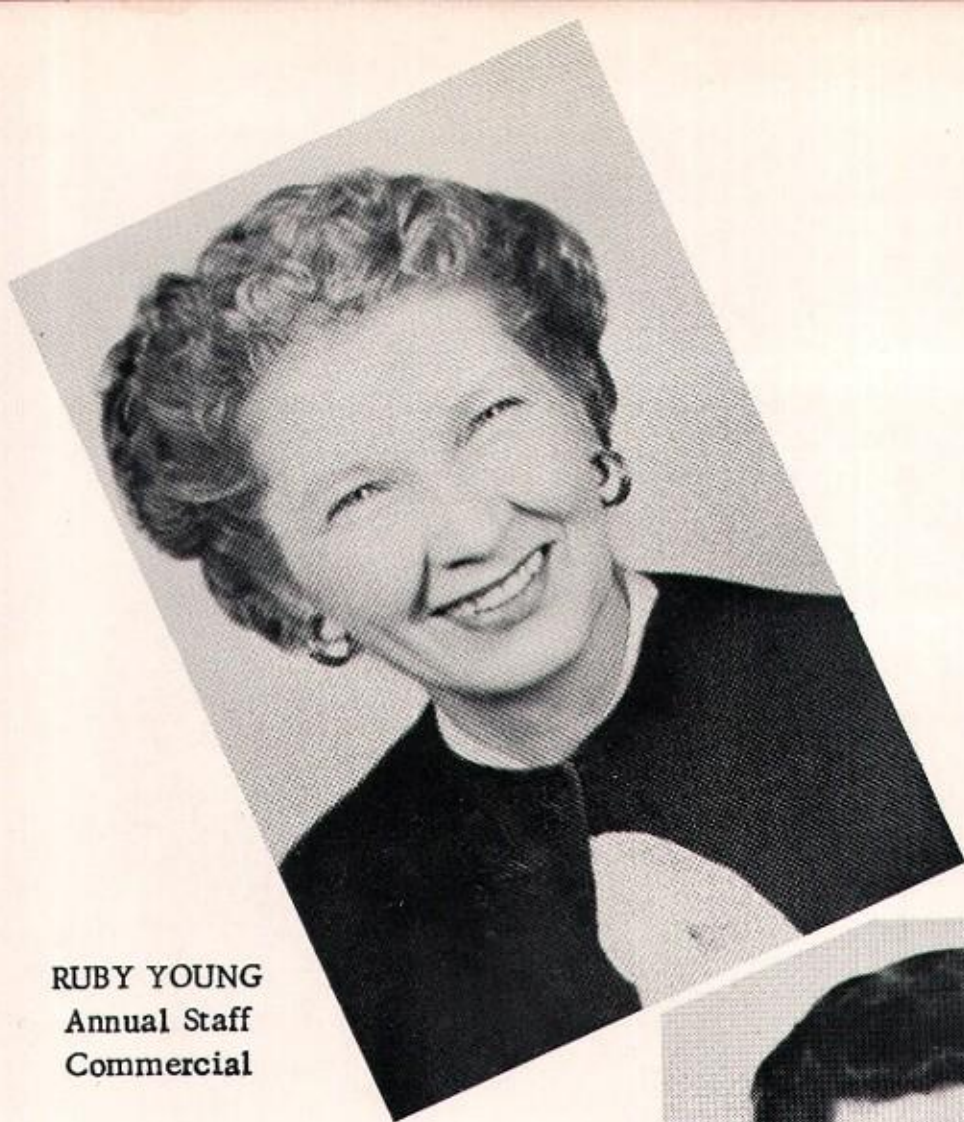

Your twelve years of schooling represent a large investment by the taxpayers of our community. They have expressed their confidence in you. You are now expected to repay this investment plus interest in good, honest, upright citizenship. Don't let it go unpaid.

I hope that during your attendance in Mission High, you have developed your ability to do things. I hope you have developed self-confidence. If you now have a goal, confidence in yourself, and the willingness and ability to work, you have no fear of the future.

I further wish to congratulate you and your advisor, Miss Young, for this fine yearbook. It represents many of your outstanding qualities and achievements that have made it a pleasure for me to work with you this past year.

Good Luck to you and the sincerest of good wishes for your future.

1955—2nd PLACE NW DIVISION FOOTBALL SQUAD

This, the '55-'56 Football season, is destined to go into the records as a definite success; and justly so, as the Bulldogs 7-1 record was the best posted by a Mission team since their entrance into Class "B" division in 1951. This year's team was a seasoned, well-coached group of campaigners with eleven of the top thirteen finishing their high school careers.

A versatile, high-g geared offense and a tight defense were the Bulldog trademarks throughout the season as shown by their 228 points in eight games as compared to 47 points for the opposing teams.

The year's fine games were enjoyed by all who saw them and were a credit to the community as well as to the school.

MISSION BULLDOGS

Kneeling: Gary Marcum, Ken Phillips, Mike Corcoran, Bap Incashola, Louis Incashola. Standing: Coach Bill Clawson, Fred Blackman, Bill Hilton, Jim Sayler, Louis Blood, Harry Whalen, Jim Pinsoneault, Assistant Coach Joe Eslick.

The Polson Invitational Champions, Northwestern Division Conference Champions, Second place Divisional Tournament finish, and State Class "B" Champions. Those were the most notable honors Mission High's Blue and White Bulldogs reaped for themselves through the '55-'56 campaign. The Bulldogs accumulated a 24-3 record for the season.

The 1956 "B" Squad cannot be judged entirely by their record. This young group possesses a great deal of potential stars. With a little seasoning and training this year's "B" Squad will successfully uphold Mission's winning reputation in the future.
